Mr. Smelko -

As a follow up to our conversation this morning, I wanted to provide you with a copy of my letter restating what we discussed. Enclosed, with the letter, is a copy of EPA's signed Action Memo and the attachments to the Action Memo. Additionally, you requested a copy of EPA's sampling plan and the four homes which EPA has determined need alternate water. I am unable to provide the name/addresses of the homes at this time due to privacy and other concerns. Should Cabot decide that it does want to provide the alternate water, EPA will be able to provide that information. Please provide me with an your point of contact so our On-Scene Coordinator can facilitate exchange of the sampling plan.

If you have any questions, please feel free to contact me. We look forward to hearing from Cabot today regarding this request.

Thanks.
